

ANNUAL MEDICAL EXAMINATION 2025

WHERE : Faculty of Medicine (Nishi-Futenma Campus)

※On April 11 (Fri)

Health Administration Center

※From April 14th (Mon.) to April 25th (Fri.)

WHO : All students

※ Testing kits will be available at all faculty offices, the Student Support Section, and the Health Administration Center.

Please pick up your testing kit at least one day before your scheduled examination

○ Health checkups are **FREE**.

※ Students will have to pay their own medical expenses if they undergo health checkups at medical institutions outside the University, .

○ Visitors can obtain a **Health Examination Certificate** for submission (employment, educational internships, study abroad, etc.)

However, your Health Examination Certificate cannot be issued if you do not undergo the University's health examination, or if a re-examination is instructed but not completed.

○ **Health check-ups are, in principle, by appointment only.**

Please make a reservation through the Health Administration Center website or the code provided below.

※ You can see the doctor without an appointment, but wait times may vary depending on the number of students on the day of your visit.

※ You can start to make an appointment from Tuesday, April 1st, 2025.
